

```
class_decision_tree.Decision  
Tree.dt_pruned_confmatrix
```

```
graph LR; A[class_decision_tree.DecisionTree.dt_pruned_confmatrix] --> B[class_decision_tree.DecisionTree.dt_confusion_matrix_plot];
```

A diagram showing a transition from a pruned confusion matrix to a full confusion matrix plot. A blue arrow points from the left box to the right box.

```
class_decision_tree.Decision  
Tree.dt_confusion_matrix_plot
```
